

2024

Dear Sir/Madam,
Greetings!

We are pleased to inform you that the Department of Computer Science and Applications, St. Peter's Institute Higher Education and Research is organizing the Third International Conference on "Recent Trends & Technologies in Soft Computing" (ICRTSC'2024) to be held on 09th and 10th October 2024. All the abstracts of the paper will be published in the Conference Proceedings with the ISBN number. Selected and Extended High Quality papers will be recommended for publication in ICTAT Journals at free of cost.

About the Conference

Department of Computer Science and Applications proudly organize 3rd International Conference with the successive completion of 11 National conference's and 2 International Conference consecutively on Recent Trends & Technologies in Soft Computing. This Conference will provide a premier forum for the dissemination of innovative, practical development experiences as well as research in Recent Trends and Technologies in the Soft Computing scheme and to give a perfect blend to state-of the art technologies. It provides a challenging opportunity for Industrialists, Academicians, Researchers and Students to share their views in Soft Computing.
